## Unacceptable Calculators

Students are not allowed to use any of the following calculators, unless specifically approved by the College Board as an accommodation:

- Laptops or other computers, tablets, mobile phones, smartphones, smartwatches, or wearable technology
- Models that can access the internet or have wireless, Bluetooth, cellular, audio/video recording and playing, camera, or any other smartphone-type features

- Models that have a QWERTY (typewriter-like) keypad, pen input, or stylus
- Models that use electrical outlets, make noise, or have a paper tape

In addition, the use of hardware peripherals such as a stylus with an approved calculator is not permitted. Some models with touch-screen capability are not permitted (e.g., Casio ClassPad). Check the list of acceptable graphing calculators above for models that are permitted.
